2	<b>WORK ORDER AGREEMENT BETWEEN OWNER AND LANDIS CONSTRUCTION CORPORATION</b>	
3	TERMS AND CONDITIONS OF CONTRACT	
4		
5	<b>FIRST NAME LAST NAME</b>	
6	<b>ADDRESS</b>	
7	<b>WASHINGTON, DC 20007</b>	
8		
9	<b>January 10, 2006</b>	
10		
11	1. All workmanship is guaranteed for a period of one year from job completion. All work is to be completed in a neat and workman-like manner. Any alterations or deviation from above specifications involving extra labor and/or cost of materials will be executed only upon written approval from owner or his authorized agent and will become an extra charge over the agreed contract amount. Agreements made with mechanics or subcontractors on the job are not recognized. Any statement, arrangement or understanding expressed or implied not contained herein will not be recognized.	
12	2. Customers agree, by signing this contract, not to discuss any construction work, outside of the scope of this contract with any employees or subcontractors working for Landis Construction Corporation for a term of at least one year from contract signing.	
13	3. The customer has the right to terminate the contract for major deficiencies within the work, after providing reasonable notice of his intention to terminate and an opportunity for the contractor to remedy said deficient work. Reasonable notice is defined as 30 days.	
14	4. The Landis Construction Corporation is licensed as a home improvement contractor in the District of Columbia (License #4600) and Maryland (License #46256). References and copies of our current licenses are available upon request.	
15	5. The contractor maintains insurance policy No. Q370153290 M issued by Erie Insurance with limits for business liability of \$1,000,000. Gen. aggregate \$2,000,000 and Workman's Compensation insurance.	
16	<b>BUYER'S RIGHT TO CANCEL</b>	
17	6. If this agreement was solicited at or near your residence and you do not want the goods or services, you may cancel this agreement by mailing a notice to the seller. The notice must say that you do not want the goods or services and must be maile	
18	7. Please assume any additional work not itemized above that is required and/or requested by the homeowner will add additional cost to the job. It may also increase the time required to finish your project. Any change orders which include any alterations or deviations from the spreadsheet listed above will be agreed to by the owner and contractor during construction and will be submitted in writing and become part of the contract agreement, either written, faxed or emailed. Payment of change orders is due at agreement, unless otherwise specified.	
19	8. Any unexpected work required within walls, ceilings, floors or excavated grounds that is not in the scope of this contract will constitute a hidden contingency and be the owner's responsibility to pay for. This will include but not be limited to termite damage, rot, old or improperly installed plumbing and electrical work, water damage, damage due to rodents or bugs.	
20	9. Customer agrees to have all materials s/he is supplying delivered to the job site in a timely manner. Owner-supplied materials are not warranted by contractor. LCC reserves the right to be fairly compensated for any additional handling, storing, ordering or coordinating of Owner Provided items and/or delays caused	
21	10. Any payment balances left outstanding after 15 days from when they are due will have an interest charge assessed of 2% per month (24% annually). However, a minimum charge of \$25 will be charged per month as a late fee. This will include interest charges unless they are greater than \$25. Dishonored checks require an additional fee of \$25.	

	A	B
22	11. Payment for executed change orders shall be/will be due in full upon execution of that change order.	
23	12. All work priced to be done concurrently unless otherwise specified. (Projects will not be phased.) If Owner requires that work be done out-of-sequence, LCC reserves the right to amend the contract via change order to the extent that such a request results in a delay, change in the scope of work, or additional materials, labor, or management time required as a result.	
24	13. Disputes. The parties shall endeavor to resolve all disputes which arise out of or relate to this Agreement, or the breach thereof, by mediation and/or arbitration.	
25	14a. Mediation and Arbitration and Attorneys Fees. In the event of any dispute hereunder, the prevailing party shall be entitled to recover its reasonable attorneys' fees, court costs and expenses.	
26	14b. Any controversy or claim arising out of or relating to this Agreement, or breach thereof, shall be settled by mediation, administered by American Arbitration Association, or, if mediation fails, by arbitration in accordance with the rules of American Arbitration Association then in force, and judgment upon the award rendered by the arbitrator(s) shall be entered into any court having jurisdiction thereof. For more information about the American Arbitration Association call 202-739-8280 in Washington, DC; or visit <a href="http://www.adr.org/">http://www.adr.org/</a> online. [Mediation is a process in which an impartial third party ("Mediator") helps disputing parties work out a mutually acceptable solution to their disagreement. Arbitration is a process in which an impartial professional ("Arbitrator") listens to the evidence presented by the disputants, and then issues a decision based on the evidence presented and the applicable rule of law. The result of arbitration is binding on all parties who have agreed in advance to accept the arbitrator's decision.]	
27	15. Lead Paint: Owner hereby exempts Landis Construction from responsibility for lead paint testing, abatement or any injury or harm resulting from any pre-existing lead paint disturbed or undisturbed during or after construction. Many houses built or renovated before 1978 have high levels of lead paint. Please educate yourself about the dangers of lead based paint by reading an important pamphlet at <a href="http://www.epa.gov/opptintr/lead/leadpdf.pdf">http://www.epa.gov/opptintr/lead/leadpdf.pdf</a> or on the Landis Construction Website, <a href="http://www.landisconstruction.com">www.landisconstruction.com</a> . If you do not have internet access or have difficulty viewing or printing this file online, let us know and we will provide you with a copy.	
28	16. Designer: Landis Construction is a Design / Build firm. We reserve the right work with the client as the sole source for Architectural and Design services on jobs where we are retained to supply said services. LCC is not liable for outside design consultants work and any damage, delays or costs incurred as a result of those third party associations are compensable to LCC.	
29	17. Federal, state and local taxes or surcharges levied by a governmental or community, or other authority are the sole responsibility of the homeowner.	
30	18. Bathroom for workers: By law, a working bathroom must be provided for workers on a construction project. If no bathroom is available, a porta jon will be provided by contractor.	
31	19. Off Site Fabrication and Construction items, such as windows, doors, HVAC equipment, plumbing fixtures, decorative or custom lighting fixtures, etc... will be payed by the owner with 50% deposit down	
32	20. At the request of homeowner, Landis Construction will provide a notarized general release of liens / lien waver on behalf of Landis Construction and on behalf of our Sub-Contractors. If homeowner requires individual lien wavers from sub-contractors, a fee of \$90 for each sub-contractor lien waver will be	
33	21. At Substantial completion, the homeowner is entitled to retain twice the value of the punch list until completion. Substantial completion is defined as the point at which spaces are useable for their intended purpose(s). This means, for example that painting is complete, but there may be some touch-up; we may be waiting for a broken part to be replaced; accessories (like a towel bar or TP holder) may not be completely installed." In the event that a meter change is included in the scope of work, final payment will be due if the project is otherwise complete, even if the meter has not yet been installed by the applicable utility company. (Pepco, Washington Gas, WASA, etc.)
